# CONSCIOUS COCKTAILS

## TREE OF LIFE

9

The tree of life represents the afterlife, and the connection between the earth and heaven. The bond and affection to trees is so deep that Celts believed the actual trees were their ancestors, gatekeepers to the Celtic Otherworld. As such, the tree of life in Celtic Culture is sacred.

**Matcha Infused Bacardi, Cocchi Americano, Elderflower, Fresh Pineapple and Lemon.**

## ZEN WITH IN

12

Simple, easy, tranquil. Adding a bit more “zen” to our life is beneficial to both our brain and our body. Our Zen recommendation: Start the day early and with love. Thoughts planted early in the morning continue to grow during the day.

**Tequila Chillies, Lime infused Cointreau, Lemon, Herba Mate and Jalapeno Syrup.**

## SPIRITUAL ROSE

11

Roses symbolise God's love at work in people's lives. These elegant flowers regularly show up in reports of miracles and encounters with angels. Rose is considered a symbol of balance. It expresses promise, new beginnings, and hope.

**Gin, Strawberry and Chamomile Syrup, Rose infused Cocchi Rosa, Prosecco, Soda Water.**

# MINDFUL MOCKTAILS

## FREE SPIRIT

8

A free spirit has strong values and opinions about life. It isn't someone who wanders for the sake of wandering - a true free spirit lives with intention. They appreciate their free-spiritedness and have chosen to live in a way that's aligned with their values. You are a free spirit if we just caught you daydreaming!

**Livener Three Spirits, Pink Grapefruit Juice, Kombucha.**

## THE GLOW

6.5

When you're being kind, considerate, compassionate and giving off yourself, your soul will rejoice. You've reached the highest level of self-love in this state of serving others. And even though it is good karma to be kind to others, sometimes we forget to include ourselves in the mix.

Being kind to yourself is NOT selfish – in fact, it's entirely selfless because when you feel good, you are more inclined to help others feel good as well.

Our glow recommendation: live in gratitude and remember to breathe.

**Meda Glow CBD, Elderflower Cordial, Lemon and Basil.**
